Dear Valued Customer,

Our email addresses are changing from @petrochoice.com to @moovelube.com

Follow these simple steps to **add moovelube.com to your Safe Senders List** and continue receiving communications from Moove.

FOR OUTLOOK (Web/Desktop):

- Click the **Settings gear icon** (⚙️).
- Select Email > **Junk email**
- Find the section for **Safe senders and domains**
- Click **+ Add Safe Sender** (or the "Add" button)
- Enter **moovelube.com**
- Click **OK** or **Enter**
- Click **Save** to apply the changes

FOR GMAIL:

- Open: your Gmail account on a desktop browser
- Click the **Settings gear icon** (⚙️) in the top right and select **See all settings**
- Navigate to the **Filters and Blocked Addresses** tab
- Click **Create** a new filter
- In the **From** field, enter **moovelube.com**
- Click **Create filter**
- In the next window, check the box next to **Never send it to Spam**
- Click **Create filter to save**

FOR APPLE MAIL (Mac/iOS):

- In the Mac Mail top menu, click Mail > Preferences.
- Select the **Junk Mail** tab.
- In the section labeled **"The following types of messages are exempt from junk mail filtering,"** place a check mark in the box in front of **Sender of message is in my Contacts**.
- Close the **Preferences** window to save changes.
- Add moovelube.com to your Contacts:
 - On Mac: Open the **Contacts** app, click the + button, and create a new contact with moovelube.com in the email field.
 - On iPhone/iPad: Open **Contacts**, tap the + button, and add moovelube.com as a new contact.

We value your partnership and look forward to continuing to serve you. Thank you for your continued trust.
